INDIA CRAFTZ

ABOUT US

At India Craftz , we are dedicated to bringing the finest Indian handicrafts to the global market, specializing in Marble Inlay Handcrafted products. We collaborate with highly skilled artisans across India to source and deliver handcrafted products that embody India's rich cultural heritage, craftsmanship and elegance.

At India Craftz , we believe that every piece of marble inlay is a work of art. Our skilled craftsmen have inherited this ancient art form and have honed their skills over generations. The delicate art of marble inlay involves the meticulous placement of semi- precious stones into intricately carved marble to create breathtaking designs. Our artisans infuse their passion and creativity into each piece, ensuring that it becomes a testament to their dedication and craftsmanship

INLAY ART

Marble Inlay , stunning art form with roots in Mughal India, involves meticulously inlaying precious & semi -precious stone into marble.

Key Characteristics

- Material** Primarily white marble, inlaid with stones like lapis lazuli, turquoise, carnelian, and jasper.
- Origin** Flourished during the Mughal era, particularly under Emperor Shah Jahan, with the Taj Mahal being a prime example
- Techniques** Skilled artisans meticulously carve intricate patterns into the marble, then insert the colour stones.

Modern Application

While historically used for architectural adornments, today it graces a range of items, from jewellery boxes and coasters to decorative panels and furniture.

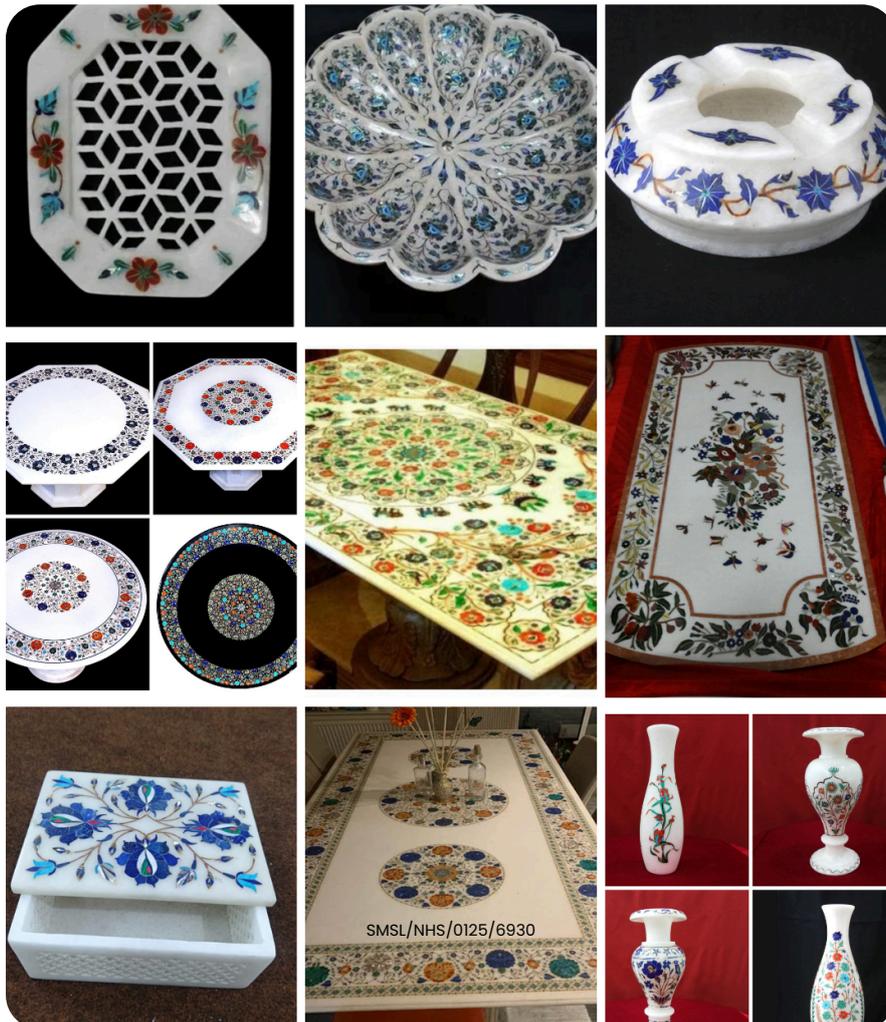

Marble inlay showcases the exquisite craftsmanship and artistic heritage of India, offering a timeless blend of beauty and skill
